09 Gagarin About Landing

Yuri Gagarin talking about his landing experience in 1961. Russian language.

Происходит приземление на нашей советской, русской земле. Первая встреча - с нашей колхозницей. Она сначала немного напугалась меня, но потом мы подружились. Ну сами себе представьте, вдруг вышел человек в ярко оранжевом скафандре, идет к ней на встречу. Ну мы с ней быстро подружились, нашли общий язык. Подошли колхозники. Сразу же прилетела поисковая группа, помогли связаться с Москвой, с правительством, доложить о выполнении полёта.

Landing is taking place in our Soviet, Russian land. First contact – with our collective farmer. She at first got frightened of me, but then we made friends. Just imagine, suddenly a man comes out in bright orange space suit, and moves towards her. Then collective farmers arrived. And the search brigade appeared, helped me contact Moscow, the government, to report completion of the flight.
